**CROWDSTRIKE**

UNIWARE SYSTEMS

Take the #CrwdCloudSecurityChallenge

Get a free Cloud Security Health Check for your business — and a $1,000 AWS credit voucher!

The **Cloud Security Health Check** allows you to quickly assess security risks that may exist across your organization's cloud infrastructure. When you take the #CRWDCloudSecurityChallenge, you'll:
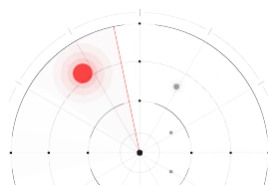

1
GET A 1-ON-1 REVIEW WITH A CLOUD SECURITY EXPERT

2
SEE EVERYTHING ON YOUR CLOUD

3
IDENTIFY RISKY MISCONFIGURATIONS

4
MEET AND MAINTAIN COMPLIANCE

5
UNCOVER CONTROL PLANE THREATS

Follow these 3 quick and easy steps to complete the Cloud Security Health Check:

1
ACCEPT THE CHALLENGE
Fill out the Cloud Security Challenge form

2
ACTIVATE
Activate the Cloud Security Health Check using your cloud account.

3
REVIEW
Review findings with a CrowdStrike or AWS cloud security expert

After completing your Cloud Security Health Check, you'll receive a $1,000 AWS credit voucher! *
